

Affordable Loan Options for Texans

Small, Safe, and Affordable Personal Loans for Those with No Credit or Low Credit Scores

About This Resource

This RAISE Texas resource highlights select financial institutions across Texas that offer **small, safe, and affordable personal loans** that are accessible to Texans with no credit or credit scores under 600.

Important Notes:

- This is not a comprehensive list but rather a **sampling of options** from institutions with larger service areas and a sizeable membership base.
- Each credit union has **additional qualifications and membership requirements**.
- **Loan availability, rates and terms may vary**, and approval is at the institution's discretion.
- While some loans require a **credit check**, many financial institutions consider:
 - » The reason for the loan,
 - » Your account standing, and
 - » Your relationship with the institution.
